

**Request Text / Texte de la demande: "I am requesting the following information between March 1, 2020, until current or December 31, 2020:**

**1 - The total number of refugee intake RPD eligibility interviews conducted by the CBSA for all the refugee claimants that have made their application online including the region or province where the claim originated or the interview is conducted.**

This question should be re-directed to IRCC as the CBSA does not process refugee claims for those persons who made their applications online.

**2 - The total number of claims that have been processed by the CBSA and referred to be RPD;**

Between March 1, 2020 and December 31, 2020, the CBSA determined 4,147 claims eligible and referred them to the RPD.

**3 - The total number of interviews conducted by the CBSA for individuals against whom a removal order is in force;**

From March 1, 2020 to December 31, 2020, CBSA conducted 6,625 removal interviews. Please note that this total also includes interviews conducted for voice verification enrolments within the Greater Toronto Area Region (as CBSA systems are unable to desegregate the voice verification enrolments from the removal interviews).

**4 - The total number of individuals who have been removed during this period."**

The CBSA has enforced 10,636 removals between March 1, 2020 to December 31, 2020.
